Address:

Tarpon Springs

Price:

32000.00 \$

Runs great. Looks great. Big twin gasoline powered engines. 39 foot LOA. 12.4 foot beam. 2.5 foot draft. Big roomy cabin, new canvas, needs a few cosmetic things, not much. We've installed 2new bilge pumps, hoses, alternator, belts. Bottom cleaned monthly. Fridge does not work but can be repaired or replaced. Smart tv, microwave and convection oven, dehumidifier, AC, heat, water heater, stereo, ship to shore radio, garmin, raymarine radar, new shore power cords with y splitter. Boat is in really great shape for her age. She has just a few small mechanical things an experienced boater would have no problem with. I am on the road right now but I will be home in the next couple weeks and I can snap some pics of the inside then. Make me a reasonable offer. We are very motivated to sell. NO text messages. Email or call only. \$32000 obo. Must sell. Call Steve 8133470230
